2 Job description

Responsibilities

- Answer customers instantly
- Handle routine requests
- Onboard new customers
- Understand every format**

Time to value

- Day 1 — customers get answers in seconds, day and night
- Week 1 — repetitive questions stop reaching your team
- Month 1 — first review: resolved, escalated, hours saved
- Quarter 1 — retention trend and ROI review**

3 The team it takes — and the employee you hire

A human team for one seat

- At least 4 people for one seat, 24/7 — about 3 for 16-hour days
- Employer social insurance: 18.75% on top of each insured wage
- A yearly raise of at least 3% of the insured wage, by law
- And the same question answered differently by each shift.**

Adnan

- One AI employee for all 168 hours
- Built and looked after by the GenuDo team
- Learns your policies once, applies them every time
- Your team keeps the cases that need a person.**

How we hire Adnan for you

GenuDo is not software you set up alone. We work with your team, learn how your business sells and serves, and build Adnan around it — then we stay.
